

Welcome

Services for the Elderly is an independent 501(c)3 non-profit organization located at the rear of the Farmington Community/Senior Center. We are dedicated to Farmington's older citizens by helping them remain independent, productive and at home through programs and services such as Meals-on-Wheels, Friendly Visitors, Friendly Shoppers, transportation to medical appointments and by loaning donated, used medical equipment to those in need. We also provide information on other services available so our older citizens and their families know where to go if assistance beyond what we can provide is needed. This spring we have a new fundraiser where you can honor a woman who you feel has made a significant contribution to our town. You can find more details inside this addition.
